Santa Rosa de Cabal

We are a tourist destination par excellence, immersed in the coffee cultural landscape, recognized nationally and internationally for Nature tourism, wellness tourism with hydrotherapy, the diversity of its flora and fauna, for the natural wealth represented in its crystalline waters , the variety of birds, the quality of the air, its handicrafts, its traditional gastronomy represented by the chorizo and the coffee, awarded worldwide, also for the culture and the kindness of its people.

We are committed to sustainable tourism development, with the conservation and responsible management of the environment and cultural heritage, with the increase of protected areas, with the defense of human dignity and fundamental rights, with the strengthening of positive impacts. and the minimization of the negatives, with the satisfaction of tourists, visitors and the local community, ensuring a fair and equitable economic development for the municipality.
